
100 Towns Improvement Program

URBAN DEVELOPMENT AUTHORITY

State Ministry of Urban Development, Waste Disposal and Community Cleanliness

Objectives of the project

- To stimulate the urban development for the selected development potential areas which have not captivated development attention so far by 2021.
- By providing socio-economic empowerment facilities intend to strengthen the local community by 2021.
- Approaching smooth city mechanism by delivering physical infrastructure competence by 2021.
- To magnify city's unique identity by offering vital strategic urban components for selected townships by 2021.
